

JANUARY 8TH, 2021
COVID-19 UPDATE

**NOTICE OF “ORDER OF COUNCIL”
UNDER THE COVID-19 INTERIM LAW**

Chief and Council met on the evening of January 6th, 2021 and extended the “Order of Council” that was passed on December 10, 2020, and it will remain in effect to January 26, 2021:

1. Off-reserve Sts'ailes member passes are suspended;
2. Day-pass exceptions will be made for members who provide essential services to an on-reserve member in need of assistance and for that purpose only. Examples: grocery or medication delivery, picking up for medical appointments.
 - a. Essential service providers are expected to social distance, wear a mask, wash hands frequently, and limit indoor contact to under 15 minutes whenever possible for their own safety and the safety of others (per CDC/Centre for Disease Control and WHO/World Health Organization advisements);
3. Suspending passes will NOT affect ambulatory care, prescription delivery, service delivery, etc.;
4. Off-reserve staff must work remotely unless their essential job requires them to work on site; this means staff passes are still in effect for off-reserve staff that are required to work on site; EDIT: The offices remain closed at this time to reduce the potential spread of the virus;
5. Up to two people can visit residents living alone as per the provincial Public Health Order (PHO);

6. No overnight stays;
7. No gatherings, assemblies or parties of any size in the community or in your home.
EDIT: A conditional exception is made for the loss of loved ones in our community.
These exceptions and safety measures were shared directly with the family.

These measures are for the care and protection of everyone. Cases keep rising. COVID is here. We need to stay diligent.

WE WILL GET THERE. BUT THE STORM IS NOT OVER.

On behalf of the
Sts'ailes Officials,
Emergency Operations Centre (EOC),
and Chief & Council,
O Siyam,

Chief Ralph Leon
