COVID-19 BULLETIN

## NOTICE OF POSITIVE CASE

- On the evening of Saturday, January 2, 2020, Sts'ailes received notice of a positive case in Sts'ailes.
- The positive case is in quarantine and the remainder of the household is in self-isolation.
- Yeqwethet is working on contact tracing. We are asking for the community to **stay home** and to follow the Public Health Orders (PHOs) and the Sts'ailes Interim Law.
  - Sts'ailes Interim Law Web Link:  
<https://www.stsailes.com/covid19>
  - BC PHOs Web Link:  
<https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/covid-19-provincial-support>
- There is potential for community exposure and we are asking for all members to monitor themselves and if you develop symptoms, please contact a health professional for testing.
- COVID is here. Please continue to find COVID safe ways of interacting with one another and making essential trips only.

## SAFE SOCIAL DISTANCING

SAFE	NOT SAFE
✓ <b>Staying home with your family that live in your home</b>	✗ More than two (2) people entering other homes in the community
✓ <b>Enjoying outdoor activities with your family that live in your home</b>	✗ More than two (2) people from different homes sitting or standing closely to each other in an open space, such as the field or beach
✓ <b>Enjoying outdoor activities with people that do not live in your home, <u>BUT</u> staying six (6) feet apart <u>at all times</u></b>	✗ Visiting others ✗ Merging homes (if you don't live alone) ✗ Sharing meals together

**Any questions please call 811**
